MUNTERS AGHORT TALENT PROGRAM

Munters

About us

Munters is a global leader and premium partner in energy efficient air treatment solutions. Using innovative technologies, we create the perfect climate for customers in a wide range of industries. In particular, Munters' business is divided into three Business Areas: Air Treatment (AirT), Mist Elimination (ME) and Agriculture & Horticulture (AgHort), each one with its specific core business. Today Munters is owned by Nordic Capital Fund VII and its manufacturing and sales are carried out in 30 countries by around 2,700 employees.

AgHort: Acting local, thinking global

AgHort develops and manufactures energy efficient climate control systems for the growth and development of agriculture and horticulture applications. The innovative product offering includes ventilation, cooling, heating and cutting-edge control systems.
AgHort headquarters are located in Imperia (Italy) at Munters Italy S.p.A., which hosts also two production sites (Chiusavecchia and Pieve di Teco).

AgHort Talent Program

Are you a driven, internationally mobile graduate or undergraduate student, ready to be challenged in a competitive environment with a global vision? AgHort Talent Program is waiting for you!

What we are looking for:

Students from a variety of academic backgrounds, with proven leadership skills and a genuine interest in other countries and cultures, demonstrating at the same time their willing to succeed.

What we offer:

A 6 months paid program in preferred areas of specialization, in which you will undertake tailored projects under the supervision of experienced mentors. This program will help you to develop the skills you need to be successful. You will be able to benefit from this program in several ways: by having the chance to work abroad, sharing know-how, joining dynamic teams to tackle exciting and varied projects.

You can choose between the following areas:

- Finance
- Marketing
- Sales
- Product Management Engineering
- ITC
- Graphic design
- Procurement

Minimum criteria for eligible applicants:

- Graduation or with a degree in subjects related to the area of interest
- Brilliant academic result
- None or limited working experience
- Fluent in English

"The AgHort Talent Program gave me the opportunity to challenge myself and increase my professional skills"

Anne Nnoko is working as Market analyst, in a program undertaken between Italy and Western Africa.

How to apply
